**Please announce this as a preamble to the cash drawings:**

CenDiv is hosting a total of nine race weekends during 2017 and there will be 15 races spread across those weekends counting toward series points. Six Divisional Championship Series weekends, plus three Northern Conference US Majors Tour event weekends, comprise the CenDiv Divisional Championship Series for 2017. The series welcomes over 38 national and regional classed cars and an additional 12 CenDiv regionally classed cars.

Participants in the series will experience the now familiar series graphics for their race cars, Class Winner decals for each event, **cash drawings for worker volunteers**, cash drawings for drivers and End-of-Year driver class trophies.

**Again for 2017**, a driver will be selected at each of the six CENDIV Championship Events, (April 22-23 CENDIV Double Divisional Race at BHF, May 27-28 Land O' Lakes Double Divisional Race at BIR, July 15-16 Blackhawk Valley/Milwaukee Firecracker Double Divisional Race at BHF, August 19-20 Chicago Kettle Double Divisional Race

at RA, September 2-3 Land O' Lakes Double Divisional Race at BIR and October 21-22 Chicago Double Divisional) to receive a **\$375 cash award** to defray entry and other costs. It is the hope of our sponsors that this cash award will encourage additional drivers to attend our local events.

Over the past several years we have enjoyed and continue to enjoy the fortune of having two sponsors to the CenDiv road racing series; **TRO Manufacturing and C&P Installations**, both of whom have a long family tradition in the club and currently participate in road racing.

The intent of the Championship Series, and our sponsors Scott and Chris, is to support and build the Divisional racing program. To those ends, there are no extra fees in the entrant's entry for the Divisional Series races, and only a small fee is collected from the Major's events to fund the 2015 CenDiv Divisional Championship Series.

Give them a BIG thumbs up and a wave when you see them on the track.

If you see Scott or Chris in the paddock, please stop by and thank them for supporting the series and our workers!
