SCCA Central Division RoadRally Championship 2025- Official Rules

These rules are lightly modified from "ARTICLE 8 ANNUAL RoadRally CHAMPIONSHIP" *in the 2024 RRR's, pp 16-18.*

A) Eligibility

Only SCCA members in good standing at the time of the event shall be eligible to receive points from that event counting toward the annual RoadRally Divisional Championship. Weekend members can accumulate championship points, but must obtain an annual membership by November 1 of the current year to be eligible for year-end awards.

B) Divisional Champions

1. Championship points and awards shall be made to SCCA members competing in SCCA RoadRally Championship Tour, Course, and GTA events. The competition year begins on January 1st and ends on December 31st.
2. Each year, there shall be one Divisional Championship Series consisting of all eligible Regional and Divisional Tour, Course, and GTA rally events within the Central Division. Points and awards shall be made to SCCA members competing in and working these events.
3. The CenDiv SCCA shall recognize Divisional RoadRally Champions based on placement within their class for each individual event, even if they competed in a different class during each rally.
4. Champions shall be determined by the accumulation of points earned in SCCA RoadRally championship events. Points shall be assigned per Article C.
5. If for any reason, an entrant does not wish to have points from an event count toward the Championship, they must notify the SCCA Rally/Solo Department and the Official Points Keeper by email no later than 48 hours before the opening of on-site registration. Lacking such notification, entrants will be deemed competitors for points in any event started, in accordance with this Article. Notification may not be revoked. Conditional non-declarations are not allowed.

C) Points Scoring System Points shall be awarded only on the basis of finishing position in rally class and not on the score of any individual section of a rally or in a supplementary event. In case sanction of a rally is withdrawn retroactively, such rally shall be deleted from the annual championship scoring.

Each member officially starting a RoadRally shall be awarded a number of points based on the car's finishing position in rally class according to the schedule set forth hereafter. In case of a tie for a position, the points for that position shall be awarded equally to each competitor and the contestants following shall be shifted down in position by the number of cars tied. For example, three cars tied for second place would receive eight points each and the next placing car would then receive the fifth place points.
In cases where multiple events are conducted concurrently, a competitor may enter only one.

The Chair of an SCCA RoadRally Championship event may identify up to four persons who have participated in the event in the capacity of Chair, Rallymaster, or pre-check crew member to receive worker points for that event. Such workers shall receive 10 points for an event. Once the Chair has officially declared the persons to receive worker points, the designees may not change. The designation must be made at the time official results are submitted, or worker points will not be awarded. An individual may be awarded a maximum of 20 worker points per class in each season.

Points are awarded as follows for each event, in each class. Overall winners shall be awarded an additional 2 points.
